

Welcome!

We are glad you are here!

Lake Tapps Community Church is a Christ centered, nondenominational church affiliated with Village Missions. The LTCC family is committed to honoring God by introducing people to Jesus Christ, helping them grow in the faith, and equipping them to reach others.

Nursery is available for children up to age 3.
Children ages 4 - 3rd grade are dismissed to Children's Church prior to the message.

Missionary Spotlight ~ Micah and Laura Myers Leaving for Papua New Guinea this week with Ethnos360

First of all, they would like to thank everyone that helped them purchase items from their wish list! All of their luggage has been purchased as well. They have been approved for a Bush House Construction in Progress account. This will allow them to start saving money for the house they will be building in a village hopefully in the next 8-10 months. Anything given to this account is tax free and will save them hundreds on construction costs. If you would like to give toward this account, you can do so through Ethnos360 with the following designation: PNG 744V98 CIP Myers. Their house will cost around \$40,000. Some of the bigger items they will need to purchase are a solar electric system to have power in the remote jungles of PNG. This includes solar panels and lithium batteries as well as a water purification system. This account will also help pay for transportation of materials, which is very expensive as they will most likely be in an area where the only way to get in the materials is by helicopter at \$500 an hour. Please be praying! They are so grateful for the opportunity to reach the unreached places of Papua New Guinea.
